9. City Compensatory Allowance (CCA)

9.1. The Committee of Secretaries to examine the Report of the 11th Pay Revision Commission vide its report in the reference 14th read above, noted that the Government of India and several other States have discontinued the concept of City Compensatory Allowance (CCA). The 6th Central Pay Commission while recommending the abolition of CCA has noted that *"the classification of regions for the purposes of CCA is mainly based on the size of the population. It has been contended that size of the population cannot be an adequate index of the expensiveness of the localities. The Commission also notes that the Consumer Price Index numbers measure the changes in the price level over a period of time at a given place and do not indicate variations in the price levels from place to place at one time. The index, therefore, does not provide any criteria for classifying cities on the basis of relative expensiveness. This show that CCA does not really address the problem of providing proper compensation for relative expensiveness of a particular region/city"*

9.2. Government, after careful examination, hereby order to discontinue City Compensatory Allowance.

9.3. These orders are applicable to all the employees of who are drawing City Compensatory Allowance

- iv. Mapping the field level functionaries with clearly specified roles making them accountable to Gram Panchayats/Gram Sabha with a well-defined Citizen Charter.
- v. Integrate the institution of village volunteers with village secretariat system enabling them to provide citizen services efficiently.

13.2. The Committee of the Secretaries to examine the Report of the 11th Pay Revision Commission vide reference 14th read above, has noted the following:

- i. The Committee noted that the subject relating to pay/revision of the pay of Village/Ward Secretariat employees, was not under the scope of the 11th Pay Revision Commission (PRC), as this category of employees did not exist at time of the constitution of the 11th PRC, that this cadre was created subsequently with consolidated pay of Rs 15,000 per month & service rules were framed for (17) of the (19) cadres.
- ii. The Committee felt that as Village/Ward Secretariat employees play an important role in governance at the cutting-edge level, & though the matter relating to the pay/revision of pay of Village/Ward Secretariat employees, was not under the scope of the PRC, it would not be desirable to leave the matter unaddressed as this would lead to unwarranted anxiety among these employees.
- iii. Therefore, after careful examination of the matter, the Committee considered it just & proper to recommend that the pay scales as per the service rules issued for the various cadres of the Village/Ward Secretariat employees be confirmed as the pay scales of the concerned cadres for the purpose of the 11th PRC.

13.3. After careful consideration, the Government hereby order that the Pay Scales to the Village & Ward Secretariat employees of the concerned cadres shall be followed as attached in Schedule – II to this order.

14. Human Resource Development

14.1. The Committee of the Secretaries to examine the Report of the 11th Pay Revision Commission vide reference 14th read above, has observed the necessity for taking up the following measures for the streamlining of administration and for ensuring better service delivery.

- i. Cadre Rationalisation-Formulating criteria to determine the nature of recruitment to all cadres, eliminating/suppressing redundant cadres & posts, and redeploying people currently working in those cadres, formulate guidelines for implementation of the same by all Departments, including suppression of posts and the creation of supernumerary posts, as required.

- iii. Study the existing system of compassionate appointments, evaluate its performance till date, costs and benefits, and formulate a policy that meets its objective of supporting the family of deceased government employees of certain categories.

14.2. Government, after careful examination, hereby order to take up the following activities as recommended by the Committee of Secretaries :

- i. Cadre Rationalisation
- ii. Formulation of Contractual Employment policy
- iii. Formulation of a Compassionate appointment policy

15. Shifting to Central Pay Commission

15.1. The Committee of the Secretaries to examine the Report of the 11th Pay Revision Commission, vide the reference 14th read above, has observed the following:

- i. The Government of India has historically appointed Central Pay Commissions as multi-member bodies with strong secretarial support staff. Such arrangements have enabled the Commissions to benefit from the experience, expertise, scholarly knowledge of members & staff, which contribute towards insightful recommendations, duly factoring in financial and economic intricacies while determining the fitment & other benefits.
- ii. The recommendations of the Central Pay Commissions, based on multiple inputs & rigorous processes are on a firmer footing.
- iii. It has been observed that, increasingly, many States of the Union are adopting the Central Pay Commission's recommendations for their employees.
- iv. In view of the reasons stated supra, the Committee recommends that, as is done by several other States, the Government of Andhra Pradesh may also align the subsequent revision of pay and pensions of the employees/pensioners with that of the Central Pay Commissions. The practice of constituting State Pay Revision Commissions may be discontinued.

15.2. Government, after careful examination, hereby order to discontinue the practice of constituting State Pay Revision Commissions and also order to align the subsequent revision of pay and pensions of the employees/pensioners with that of the Central Pay Commission.
