Dated: 4th September 2020

To

The Directors/ Commissioners of the States /UTs
Dealing with ITIs

Subject: Option for revision of courses proposed to be introduced in ITIs under STRIVE

Sir/Madam,

This is in continuation to this office order No. DGT-12/2019- STRIVE dated 24th December 2019 regarding option for revision of courses proposed to be introduced in ITIs under STRIVE.

2. Multiple requests have been received from States/UTs during state interactions to allow change in list of proposed courses submitted in ISP by ITIs (Govt and Private). States believe that change in proposed courses is necessary to provide industry relevant training to the students, especially due to Covid-19. NPIU has accepted the request for revision of courses from States. However, total funding allocated to the ITI under STRIVE will not change.

3. Accordingly, if ITIs (Govt. or Private) in a State/UT desire to change the list of proposed courses, then states are required to get the revised course list approved by SSC. NPIU approval will no longer be required for the change of courses. However, NPIU and respective RDSDE in the state should be informed of the revised list of courses.

4. In view of the above, States/ UTs are requested to disseminate the above information to all STRIVE selected ITIs.

Sanjay Kumar
Director (Projects)
